**DETAILED ACTION**

***Claim Rejections - 35 USC § 102***

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1-9 and 11-23 are rejected under 35 U.S.C. 102(b or e) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Kaneka Corporation WO 99/23162, with Suzuki 6,583,208 serving as its English translation, or Suzuki et al. 2004/0024139, in view of Miyoshi et al. 2001/0031831.
3. Suzuki ('208) reveals swellable mica in column 6, lines 10-33, dimensions in column 3, lines 37-65 and column 4, lines 1-28. Polyethers can be found in column 16, lines 32-35, styrenic polymers and maleic anhydride modified polymers in column 20, lines 55-64 and polyamide in column 21, line 3. Suzuki et al. ('129) divulge swellable mica with its dimensions in paragraphs 0036-0044 and 00650073, polyethers in paragraphs 0053-0056 and styrenic polymers, maleic anhydride modified polymers and polyamide in paragraph 0099. Miyoshi et al. has been discussed already. Applicants' claims are not novel. In the alternative, it would have been obvious to select applicants' polymers from a list of equivalents and to use the carbon black and carbon fibers of Miyoshi et al. as the pigments and reinforcements in the compositions of the primary references, because the respective compositions are similar. Since the certified English translation of the priority documents have not been submitted the effective filing

date of the instant application is 7/23/03. Applicants' failed to respond to this rejection.

***Conclusion***

**4. THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
